

Booking and Value Dating Guidelines for Easter 2026

Payment information for Good Friday

Due to European regulations, interbank payments in EUR cannot be exchanged on Good Friday. However, for payments where ordering party and beneficiary have their accounts within the Raiffeisen Banking Group Austria, we can execute the payment order with the standard value dates.

For reasons of clarity:

- **payments within the Raiffeisen Banking Group Austria** are handled as usual.
- **payments to other banks in the SEPA region** will be debited from your account and forwarded on Good Friday but credited to the beneficiary on Tuesday after Easter.
- **payments from other banks in the SEPA region** will not be credited to your account on Good Friday, but on the following Tuesday
- **cross border payments in EUR (outside the SEPA region) or with conversion** will not be processed on Good Friday. They will be debited and forwarded on Tuesday after Easter (next business day).
- **Urgent payments** are not possible on Good Friday.
