PROPOSAL FOR UTILIZATION OF PROFIT

For the 2020 financial year, the distribution of a dividend of EUR 0.48 per ordinary share entitled to dividends will be proposed to the Annual General Meeting. This corresponds to a maximum total dividend payment of EUR 157,891,018.08. The Company is not entitled to any dividends from own shares. The remaining net profit will be carried forward. On 30 April 2021, the dividend will be paid to the shareholders entitled to dividends through their respective custodian bank.
