

CONSENT TO THE USE OF YOUR DATA

In order to offer high-quality products and services to your company and to be able to individualize these services even more, your consent for the confidential use, analysis and exchange of your company's data only by members of RBI Group listed under [Use of your data](#) is necessary.

We will use your data for the following purposes:

- to provide high-quality customer service,
- to provide or transmit to your company information and offers, also of institutions whose products and services are marketed by the listed members of RBI Group,
- to develop services and products that are tailored to the interests of your company, to further improve the usability of our service facilities and products;

This may involve the following data categories:

- master data (e.g. company name, contact details), commercial data (e.g. balance sheet, profit and loss account), account/product and service data of the bank (e.g. payment behavior, transactions, deposits), documents and contracts as well as information from current meetings (e.g. on investment projects),
- data on/from devices and communication channels (e.g. customer interactions via websites), user-generated content (including audio and video),
- data on third-party products/accounts/services (e.g. funds) marketed by the listed members of RBI Group (e.g. frequency of use),
- data on business relationships with other banks if you have made use of the option to include these accounts in your electronic banking (e.g. under Payment Service Directive 2).

You herewith expressly agree with the described use, analysis and exchange of such data by the listed members of RBI Group. This authorization includes the data of your subsidiaries provided by you.

This consent may also affect data of natural persons provided by your company. We would therefore like to draw your attention to the [data protection statement of RBI](#) as well as those of the RBI Group companies mentioned.

You may revoke your consent at any time by e-mail to rbi-kyc@rbinternational.com. The revocation applies from the time of receipt and does not affect the legality of the data processing done up to that point in time.
